of this section, the passage

(2) For the purpos

purpose of continuous and expeditious transit of the relevant strait.

the purposes of subsection (1), a foreign ship or a boat that engages in a relevant transit in any strait shall be deemed to have engaged in an activity of passage without due authority such as is referred to in section 17,

(3) It shall be deemed to have engaged in an activity of passage which is not in the exercise of the right of transit passage.

(3) In exercising the right of transit passage of a foreign ship or a boat, the ship shall comply with

(a) the generally accepted international regulations, procedures and practices for safety at sea, or for the prevention of collision and avoidance of obstacles, as set out in the International Regulations for Preventing Collisions at Sea, which have effect in relation to the strait; and

(b) the provisions of the regulations, procedures and practices for safety at sea, or for the prevention of collision and avoidance of obstacles, as set out in the International Regulations for Preventing Collisions at Sea, which have effect in relation to the strait and the ship for or with respect to the strait.

(c) the provisions of any enactment, order or direction which have effect in relation to the regulation of marine traffic or the use of the strait.
