Please find enclosed the contribution of the Authority on this important theme.

Yours sincerely

For example, the Authority collaborates with the global scientific community to publish taxonomic atlases for the deep sea. The lack of deep sea marine taxonomy is a major impediment for assessing deep sea marine biodiversity since existing lists of species do not provide the required information to undertake basic ecological assessment of deep sea biodiversity. It is expected that this tool will greatly

Inadition to fulfilling t	de Authoity's nankt	e to collect and share i	nfomation for the benefit of
