Statement of Under-Secretary-General Vladimir Voronkov of the United Nations Office of Counter-Terrorism

High-Level vent on !"nternational Colla#oration to com#at the use of the internet for terrorist \$ur\$oses% o\$\$ortunities and challenge

In the sixth review resolution of the Global) ounter#&errorism !trategy, ember !tates expressed importance of cooperation among stakeholders to prevent misuse of new technologies by terrorists\$

It is going on about ember !tates, international, regional and subregional organi"ations, the private sector and civil society\$ %f course, this issue should be addressed with all respect to human

An important aspect in the context of the use of social media and the Internet is the >outh\\$ &oday, /? per cent of the world\\$ population is twenty\#four\#years\#old or younger\\$

As one of the four themes of the @igh#Level) onference of @eads of counterterrorism agencies focusses on preventing violent extremism by engaging >outh and preventing the misuse of new technologies and the Internet by terrorists, our colleagues of the U* Alliance of) ivili"ations will organi"e a side#event on 7riday, ,:A Bune, on behalf of the U* inter#agency working group on communications &he topic of the event is <) ountering and 6reventing 9 iolent Extremism through) ommunications and Empowerment ! trategies involving >outh = I would like to invite you to this important events

In collaboration with U*E!)% and the League of Arab! tates 0LA!4, we have developed a prosect that aims to promote dialogue, tolerance and openness through the media to counter narratives associated with terrorism in the Arab +egion\$ &he prosect8s obsective is to promote digital literacy, critical thinking, intercultural dialogue and an understanding of rights and ethical principles and to empower users and consumers of media\$

In closing, I would like to express my sincere thanks for organi"ing this important events

&hank you\$
