

Agenda Item 10
Sustainable Development Goals

Introduction

1. **Introduction**

The Secretary-General's report on the progress of the Sustainable Development Goals (SDGs) is a key document for the Meeting. It provides a comprehensive overview of the progress made since the adoption of the Goals in 2015, and identifies the challenges that remain.

The report also highlights the need for continued international cooperation and support, particularly for developing countries, to ensure that the Goals are achieved by 2030.

The Meeting will discuss the report and will provide an opportunity for Member States to share their views on the progress made and the challenges that remain.

The Meeting will also discuss the role of the United Nations in supporting the implementation of the Goals, and will consider ways to strengthen the United Nations' capacity to support Member States in this regard.

The Meeting will also discuss the role of the United Nations in supporting the implementation of the Goals, and will consider ways to strengthen the United Nations' capacity to support Member States in this regard.

The Meeting will also discuss the role of the United Nations in supporting the implementation of the Goals, and will consider ways to strengthen the United Nations' capacity to support Member States in this regard.

The Meeting will also discuss the role of the United Nations in supporting the implementation of the Goals, and will consider ways to strengthen the United Nations' capacity to support Member States in this regard.
