

Canadian Statement to the 49th Session of the Commission on Population and Development

Agenda item 4: General debate on national experience in population matters:
“Strengthening the demographic evidence base for the post-2015 development agenda”

Check against deliver (

Madame Chairperson, Excellencies, Ladies and Gentlemen,

Thank you for the opportunity to address the Commission. Canada strongly believes that strengthening the demographic evidence base is critical to our collective goal of leaving no one behind.

Canada remains committed to the goals and objectives of the International Conference on Population and Development and its program of action, and as we move forward on the implementation of the 2030 Agenda for Sustainable Development, our country will

vulnerable, and especially women and girls, as they imple
