	empowering persons. They should prioritize basic health care, educational and vocational training,
<u>.</u> . <u>.</u> •	<u></u>
· ·	
. 	
	We empower people by investing in human capital, including through good healthcare and
	quality education. People should not be denied healthcare based on considerations such as race,
	class, or disability status. And when they receive medical care, they need to be able to understand
	their hodies and their options in order to exercise informed consent. World Vouth Alliance urges
