

**UN Commission on Population and Development
Fifty-first Session**

**United States Statement on Agenda Item 4
Programme implementation and progress of work
in the field of population in 2017**

Mr. Chairman, I would like to express the appreciation of our delegation for

and other valuable figures and maps.

In the area of health and mortality, the Population Division continues to provide the international community with data sets and analyses from such

of the Commission, including in identifying the Keynote speakers, whose presentations greatly benefit our deliberations. This session's speakers provided a unique perspective and enhance our understanding of the issues

under consideration.

Thank you.
