AARP Statement to the 41st Session of the Commission on Population and Development

AARP is honored to be participating in the 41st Session of the UN Commission on Population and Development (CPD). We are pleased to join government delegations and civil society organizations for these important deliberations on the challenges of population distribution,

advice and expertise in meeting these challenges.

have well for the increasing proportion of older people who will be living in urban areas

particularly in developing countries.

But these are general guidelines and not a blueprint for action. The
