

and needs of
the Non-Salt-Generating Territories
Caracas, Venezuela (Bolivarian Republic)

SAINT JAMES

Statement of the Non-Self-Governing Territories in

At the outset, my delegation expresses our appreciation to the Government of the Republic of Venezuela for hosting the 2024 Caribbean

the first manifestation of the radicalism of Zionism when the General Assembly turned

was held in Caracas, Venezuela, in 1978. The General Assembly's decision to hold the 2024 Caribbean

in Caracas, Venezuela, in 2024, is a landmark event in the history of the Caribbean region. It is a testament to the

of the Caribbean region. It is a testament to the

of the Caribbean region. It is a testament to the

of the Caribbean region. It is a testament to the

of the Caribbean region. It is a testament to the

of the Caribbean region. It is a testament to the

3. THE NON-SUCCESSIVE TERM

It is well known that the successive term is not a self-covering term.

3.1. THE NON-SUCCESSIVE TERM IN THE SENSE OF THE

DEFINITION 3.1.1. Let \mathcal{L} be a language and \mathcal{M} a model of \mathcal{L} .
