

President

Your Excellencies

Gentlemen,

Mr. President,

It is my honor to

is therefore critical that we redouble our efforts to attract the necessary investment

to support the growth of the economy and create jobs for our people.

The Government is committed to providing a stable and predictable business environment

for investors and to ensuring that the regulatory framework is clear and transparent.

We will continue to work closely with the private sector to identify and address the challenges

that are hindering economic growth and to develop strategies to overcome these challenges.

Our goal is to create a more competitive and resilient economy that can sustain long-term

growth and provide a better standard of living for all our citizens.

We are confident that with the support of our people and the international community, we

can achieve our economic goals and build a brighter future for our country.

Thank you for your attention and support.

Yours faithfully,
