	previous Review Conference's Final Document being honored, we see a return to the	
	Cold War era. Nuclear war is ever more likely as tensions rise between Russia and the	
	IIS A over the political turmoil in Ilkraine At this rate the NPT regime is in danger

nuclear capabilities. I ask that Japan, for the sake of a stable northeast Asia, approach South Korea and North Korea and make efforts to establish a "Northeast Asia Nuclear Weapon Free Zone". I address the non-nuclear states that are not relying on nuclear deterrence: I thank the many of you who are forming nuclear weapon free zones. I hope that your strong cooperation will finally set in motion the arrestion at a war in of Mass Destruction Free Zone". Furthermore, I ask for your continued activity so that we can make all 7.2 hillion alobal citizens norticinate
