

2015 Review Conference of the Parties to the Treaty on  
the Non-Proliferation of Nuclear Weapons

Main Committee 1

4 May 2015

Statement by Mr. Sten Arne Rosnes  
Director, Ministry of Foreign Affairs, Norway

---

Mr. Chairman,

The Joint Statement on the Humanitarian Consequences of Nuclear Weapons is a clear

extent of the consequences and thus the risks that will persist until nuclear weapons are eliminated.”

We expect a clear commitment to the humanitarian perspective on nuclear weapons in the outcome of this conference. The outcome should also reflect the important contribution from civil society and NGOs, whose efforts we value greatly. The three conferences on humanitarian consequences will be presented at a side event on 6 May, co-hosted by Norway, Mexico and Austria.

Mr. Chairman,
