

PERMANENT MISSION
OF ESTONIA TO THE UN

**Statement
of Deputy Foreign Minister of Estonia, Mr. Väino Reinart**

September 10, 2016

Estonia, a small country and a border state of the European Union, is determined to do our part in tackling the current situation, but also in shaping the sustainable long-term solution globally. We are participating in the joint actions on the European Union's external borders

under the auspices of Frontex, the future European Border and Coast Guard; we are relocating and resettling refugees under the European Agenda on Migration from Greece

and Turkey, we are lodging to the Facility for Refugees in Turkey, we are supporting third

a clear policy of keeping children from not being separated from their parents during the asylum and migration procedures.
