
Development Cooperation Forum
New York 29 & 30 June 2010 - United Nations Headquarters

Local and Regional Governments' Key Messages
Delivered by the World Organization of United Cities and Local Governments
(UCLG)

The Local Dimension of MDGs

The challenges of development are ultimately local, and they cannot

On Aid Efficiency

We estimate that less than 10% of the aid received by countries is channeled through the local and regional levels weakening the accountability and ownership of the initiatives.
