PERMANENT MISSION OF JAPAN TO THE UNITED NATIONS
605 Third Avenue, 28th Floor New York, NY 10158

Written Statement by Japanese Delegation
at the Meeting of the Fourth Committee
75th Session of the United Nations General Assembly
on Agenda Item 50: Effects of Atomic Radiation
New York,

Report on the levels and effects of radiation exposure due to the accident.
We believe the publication of the report in the year marking the tenth anniversary of the accident will promote international understanding of the accident and will contribute to the recovery
