PERMANENT MISSION TO THE UNITED NATIONS

*(Please check against delivery)*

Mr. Chairman,

5. With reference to paragraph 3 of General Assembly resolution 67/88 which strongly urges States to consider establishing jurisdiction over crimes committed by their nationals while serving as UN officials or experts on mission, Malaysia is able to establish jurisdiction on offences where the domestic laws allow Malaysia to claim extra-territorial criminal jurisdiction such as for offences of terrorism, offences against the State, corruption, money laundering, drug trafficking and trafficking in persons.

6. Further, Malaysia supports the call in paragraph 5 of General Assembly resolution 67/88 for cooperation among States and the UN in the exchange of information and the facilitation of investigations and prosecutions to ensure that there is no impunity for serious crimes committed by officials and experts on UN missions.
