The Permanent Mission of the Kingdom of Bahrain to the United Nations, New York, presents its compliments to the Secretary-General of the United Nations and, in connection with the 71/145, has the honor to inform you that Bahraini law does not permit the authorities to implement and enforce all the applicable principles governing diplomatic and consular missions.

In this respect, the authorities monitor, around the clock, the situation of diplomatic and consular missions to ascertain any violation of their premises and the safety of their personnel.
