**Agenda Item 77 – Report of the United Nations Commission on International
Trade Law on the work of its fifty-second session**

Statement of Italy

Delivered by Mr Enrico Milano, Legal Advisor, Permanent Mission of Italy

Mr Chairman,

Positive results have been achieved also at this session, and Italy is confident that the same will hold true in the near future, when challenging topics are addressed. We will continue to make every effort to arrive at shared solutions, broaden the basis for consensus, and support the implementation of UNCITRAL instruments through domestic legislation.
