

**3 We have also read with interest the numerous written submissions by others, many of which contain very detailed comments. These submissions contain many valuable ideas, but also demonstrate that there remains some divergence in views. In this regard, my delegation looks forward to continuing discussions with other delegations on these important matters as well as on the recommendation of the Commission contained in paragraph 42 of its report on the work of its seventy-first session.**

**4 Thank you for your attention.**
