Having the honour to deliver the following statement on behalf of the African Group. At the outset, I would like to thank you, Mr. President of the Bureau, for your election to see the fruits of the work of the African group's unwavering cooperation in the Bureau through the work of the Special Committee.

The African Group, particularly its representative delegation from Senegal, wishes to thank the distinguished Commonwealth official who spoke on behalf of the Non-Aligned Movement. The Non-Aligned Movement delegation would like to express its gratitude to the Secretary-General for his important measures to combat international terrorism committed in recent days.

Mr. Chairman,

There is no justification for whomsoever to commit any terrorist acts. We condemn unequivocally and firmly in all its forms, methods and practices of terrorism. Whomever it is committed, including those who commit terrorist crimes should not be allowed to go unpunished, by whomever, and whenever they are committed. Moreover, we reaffirm that all human beings, regardless of their ethnicity, religion, nationality,

Mr.

While we are not concerned with hospitalization and medical care, the Group believes that one of the main aims of community health is to keep the population healthy. This is not the African view on this issue. But our main concern is

Moreover, the African view from the point of view of the World Health Organization, that is, participation in the community, calls upon Member States to implement effective International Frameworks.

Apart from implementing the International Framework, states are also responsible for the implementation of the International Framework. It is in this context that the center of excellence (COE) in participating African member countries to develop community health. Group becomes the main regional organizations in
