Our recently inaugurated Penal Code, Law Number 1 Year 2023, enshrines an article singularly devoted to the criminalization of crimes against humanity.

Article 599, in its scope and breadth, delineates the defining characteristics of these crimes and prescribes stringent punitive measures for violators.

ECOND, Indonesia commends the fruitful exchange of substantive views in an interactive format during the Resumed 77th Session in April 2023.

The active participation of member states underscores our collective zeal to address the 14 T f 599 T m 3.6) 14 ss) f 599 c () - 1 (14 T q 0 12 cm)
