Summary judgement

7. The scope of the Tribunal's jurisdiction is defined and limited (art. 2.1(a) of its Statute) as follows;

1. The dispute Tribunal's jurisdiction (hereinafter "the Tribunal") is limited to the determination of the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;

(a) To the extent that the Tribunal is authorized to determine the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;

B. The Tribunal's jurisdiction is limited to the determination of the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;

A staff member's claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations is limited to the determination of the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;

C. The Tribunal's jurisdiction is limited to the determination of the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;

9. The Tribunal's jurisdiction is limited to the determination of the merits of a claim for compensation for injury to property or loss of property caused by the actions or inactions of the United Nations;
