

7. By CCMS notification of 16 February 2015, also sent to the Applicant's email address on record, the Tribunal's Registry in Geneva reiterated its request to

to the court has to be denied to those who are not in need of judicial remedy, as well as to those who are obviously no longer interested in the proceedings they instituted (see *B o n B o* UNDT/2009/061).

13. The latter applies to the Applicant. He was officially requested on three occasions to submit his arguments concerning the issue of receivability of his application, was given ample time to do so and clearly warned of the consequences of his failure to come forward.
