

## **Introduction**

1. The Applicant is a former staff member of the United Nations Organization Stabilization Mission in the Democratic Republic of Congo (MONUSCO). He served at the GS-5 level.
2. On 11 November 2015, he filed an Application contesting the decision not to renew his fixed-term appointment and to separate him from service on the grounds of abolition of his post.
3. The Respondent filed a Reply to the Application on 14 December 2015.
4. The Tribunal, with the consent of the Parties decided, in accordance with art. 16.1 of the Tribunal's Rules of Procedure, that an oral hearing is not required in determining this case and that it will rely on the Parties' pleadings and written submissions.

## **Facts**

5. The Applicant had served in Kinshasa within MONUSCO as a Language Assistant (LA) until his fixed-term appointment which ended on 30 June 2015 was not renewed on grounds of abolition of post.
6. Before the said abolition, the United Nations Security Council in its Resolution 2147 (2014)<sup>1</sup>, had called on MONUSCO to enhance the flexibility, effectiveness and capacity of the operations of the military force in the implementation of the Mission's mandate. It also pointed to the need for a clear exit strategy.
7. Thereafter, on 26 February 2015, the Secretary-General proposed a budget for MONUSCO for the period from 1 July 2015 to 30 June 2016<sup>2</sup>. The said budget, among other things, proposed the abolition of 80 General Service (GS) LA posts.

<sup>1</sup> (Democratic Republic of Congo), adopted on 28 March 2014.

<sup>2</sup> Report of the Secretary-General on the United Nations Organization Stabilization Mission in the Democratic Republic of the Congo submitted pursuant to paragraph 39 of Security Council resolution 2147 (2014).

8. Following the Secretary-General's budget proposal to the General Assembly, MONUSCO issued Information Circulars to its entire staff on 6 and 9 March 2015, 14 April 2015, and 20 April 2015, with regard to the proposed budget, the establishment of a Comparative Review Panel (CRP), and the review criteria.

9. Under the proposed new structure for the Mission, which was approved by the General Assembly, the military force in Bukavu was to be reduced by one battalion and Kinshasa would no longer be an operational base. As a result, LA posts in Kinshasa and Bukavu were abolished. This meant that a budgetary reduction of 80 LA posts in the 2015/2016 budget cycle for MONUSCO was done.

10. The Applicant, who was an LA in Kinshasa, was affected by the abolition. A memorandum from the MONUSCO Director of Mission Support (DMS) informed him of this development. He was also informed through a memorandum from the Chief Civilian Personnel Officer (CCPO), Ms. Xaba-Motsa.

Case No.

themselves does not alter the Organization's obligations under paragraph 3.7 of ST/AI/2013/4.

e. Moreover, the decision to essentially convert the Applicant's fixed-term appointment to an IC contract, administered by UNOPS, was taken while the Applicant was still a staff member of the United Nations Secretariat and thus ST/AI/2013/4 applies to the Applicant.

*The non-renewal of the Applicant's fixed-term appointment and his attendant separation were unlawful because no comparative review was conducted.*

f. MONUSCO's approved budget for the period of 1 July 2015 to 30 June 2016 was that 80 LAs in MONUSCO's Field Administrative Offices be abolished and the remaining 92 LA posts be reassigned to different offices within the Mission.

g. Although the CCPO's memorandum of 22 May 2015 to the Applicant stated that he had been the subject of a comparative review process in which he was not successful, no comparative review was actually undertaken with respect to him. It was never communicated to the Applicant how the purported comparative review with regard to the 172 LA posts was conducted, or where he ranked in the exercise. The Applicant was never asked to provide the Mission with his PHP and recent e-PASes before the purported comparative review process took place.

h. This apparent lack of a comparative review process further renders the decision not to renew the Applicant's contract and to separate him from service unlawful, as he ought to have been given the opportunity to undergo a comparative review process in order to be considered for the remaining LA posts in the Field Administrative Offices of MONUSCO.

*The purported abolition of the Applicant's post was in fact a conversion of his fixed-term contract into an IC contract.*

i. The functions of the fixed-term appointment that the Applicant had been encumbering are identical to those of the IC contract that he was offered by UNOPS.

j. By hiring the Applicant on an IC contract following the purported abolition of his post, the Organization enjoys the benefit of obtaining exactly the same services from him that he had previously provided to the Organization under his fixed-term appointment. This state of affairs contravenes the provisions of section 3.7(b) of ST/AI/2013/4 (Consultants and individual contractors).

Case No.

representatives had an opportunity to respond by engaging in discussions with the National Staff Union representatives under the UNOPS contractual modality.

*The Respondent did not violate any provisions of ST/AI/2013/4.*

n. The Applicant's claim that the Organization violated section 3.7(b) of ST/AI/2013/4 is inapposite. Section 1.1 of that Administrative Instruction sets out the scope and procedure under which the United Nations Secretariat may directly engage individual consultants and individual contractors for temporary assistance in order to respond quickly, flexibly and effectively to organizational priorities.

o. MONUSCO did not engage LAs under the framework of ST/AI/2013/4. Rather, the Mission decided to engage individual contractors under agreements administered by UNOPS which are governed by the UNOPS Financial Regulations and Rules.

p. Insofar as the Applicant claims that the award of individual contracts by UNOPS violated any rules, such a violation would not render the non-renewal of the Applicant's appointment unlawful. The Applicant was not entitled to be engaged under an individual contract with UNOPS.

q. If indeed the engagement of the Applicant under a UNOPS agreement contravened UNOPS contracting rules as the Applicant claims, the remedy is not monetary compensation for the Applicant, but rather the voiding of the said contract.

### **Considerations**

18. The Tribunal will now consider whether the challenge

of his post by the General Assembly which by itself is akin to a country's constitution, the higher norm, and the supreme organ of the Organization.

20. By the same token, a decision of the General Assembly is binding on the Secretary-General who has a duty to implement it. The Applicant lacks the capacity to challenge the non-renewal of his appointment in so far as it is properly implemented in consequence of the General Assembly's decision to abolish it.

21. In *Ovcharenko et al*<sup>3</sup>, it was held that an administrative decision taken as a result of the decisions of the General Assembly is lawful and that the Secretary-General cannot be held accountable for executing such a decision.

22. With regard to the question whether the provisions of section 3.7(b) of ST/AI/2013/4 were contravened by the hiring of the Applicant under an IC contract by UNOPS after the abolition of his post to provide language services to the Mission, the Tribunal finds and holds that the said rules were not contravened.

23. This is because section 3.7(b) does not envisage a situation of post abolishment. The said section contemplates a situation where the post formerly encumbered by a former or retired staff member continues to exist and the separated staff member is reengaged as a consultant or IC to continue to perform the same functions.
