themselves does not alter the Organization's obligations under paragraph 3.7 of ST/AI/2013/4.

e. Moreover, the decision to essentially convert the Applicant's fixed-term appointment to an IC contract, administered by UNOPS, was taken while the Applicant was still a staff member of the United Nations Secretariat and thus ST/AI/2013/4 applies to the Applicant.

The non-renewal of the Applicant's fixed-term appointment and his attendant separation were unlawful because no comparative review was conducted.

f. MONUSCO's approved budget for the period of 1 July 2015 to 30 June 2016 was that 80 LAs in MONUSCO's Field Administrative Offices be abolished and the remaining 92 LA posts be reassigned to different offices within the Mission.

g. Although the CCPO's memorandum of 22 May 2015 to the Applicant stated that he had been the subject of a comparative review process in which he was not successful, no comparative review was actually undertaken with respect to him. It was never communicated to the Applicant how the purported comparative review with regard to the 172 LA posts was conducted, or where he ranked in the exercise. The Applicant was never asked to provide the Mission with his PHP and recent e-PASes before the purported comparative review process took place.

h. This apparent lack of a comparative review process further renders the decision not to renew the Applicant's contract and to separate him from service unlawful, as he ought to have been given the opportunity to undergo a comparative review process in order to be considered for the remaining LA posts in the Field Administrative Offices of MONUSCO.

b. Pursuant to art. 2.1(a) of the Dispute Tribunal's Statute, the Dispute Tribunal lacks jurisdiction to review the matter of the abolition of the post the Applicant encumbered and the recommendation of the Secretary-General to the General Assembly that led to the abolition of the post. These claims are not receivable and should be rejected.

c. The only reviewable administrative decision before the Dispute Tribunal is the decision not to renew the Applicant's appointment due to the abolition of the post.

Submissions on the Merits

The decision not to renew the Applicant's appointment was lawful as the post he encumbered was subject to a legitimate restructuring of the Mission.

d. A fixed-term appointment does not carry any expectancy of renewal, irrespective of length of service (staff regulation 4.5(c); staff rule

representatives had an opportunity to respond by engaging in discussions with the National Staff Union representatives under the UNOPS contractual modality.

The Respondent did not violate any provisions of ST/AI/2013/4.

n. The Applicant's claim that the Organization violated section 3.7(b) of ST/AI/2013/4 is inapposite. Section 1.1 of that Administrative Instruction sets out the scope and procedure under which the United Nations Secretariat may directly engage individual consultants and individual contractors for temporary assistance in order to respond quickly, flexibly and effectively to organizational priorities.

o. MONUSCO did not engage LAs under the framework of ST/AI/2013/4. Rather, the Mission decided to engage individual contractors under agreements administered by UNOPS which are governed by the UNOPS Financial Regulations and Rules.

p. Insofar as the Applicant claims that the award of individual contracts by UNOPS violated any rules, such a violation would not render the non-renewal of the Applicant's appointment unlawful. The Applicant was not entitled to be engaged under an individual contract with UNOPS.

q. If indeed the engagement of the Applicant under a UNOPS agreement contravened UNOPS contracting rules as the Applicant claims, the remedy is not monetary compensation for the Applicant, but rather the voiding of the said contract.

Considerations

18. The Tribunal will now consider whether the challenge against the non-renewal decision
