

## **Introduction**

10. The Tribunal is of the further view that since the Applicant considered that Judge Cousin exceeded his competence, failed to exercise the jurisdiction vested in him, and erred on questions of fact and law, his remedy was to challenge this by way of an appeal to the United Nations Appeals Tribunal. The Tribunal notes, however, that the Applicant has failed to do so.

### **Conclusion**

11. For the reasons stated above, the application is rejected
