## The Application and Procedural History

1. The Applicant is a Pharmacist on a continuing appointment at the P3 level at the United Nations Multidimensional Integrated Stabilization Mission in Mali (MINUSMA).
2. On 18 August 2015, the Applicant filed an Application with the United Nations Dispute Tribunal (UNDT) in Nairobi challenging the Respondent's decision not to select her for a P3 Pharmacist post with the United Nations Mission in the Republic of South Sudan (UNMISS).
3. The Application was filed on the Respondent with a deadline to file a Reply by 17 September 2015.
4. On 9 September 2015, the Parties moved the Tribunal to suspend proceedings in this matter pending the outcome of ongoing informal settlement discussions. The Parties believe that a suspension of proceedings will serve both their interests and that of the Tribunal; they therefore request that the deadline for the filing of the Respondent's Reply be extended by one month.

## Deliberations and Order

5. The Tribunal commends the Parties for their proactive efforts in having this matter resolved without recourse to litigation.
6. The Tribunal therefore GRANTS the Parties' motion for adjournment of proceedings.
7. Pursuant to art. 10.3 of the Statute of the Tribunal, and art. 19 of the Rules of Procedure, the matter *Castro Bernadino v Secretary-General of the United Nations* (Case No. UNDT/NBI/2015/00) is hereby SUSPENDED.

8. The Parties are DIRECTED to
