

Introduction

1. The Applicant was appointed Chief of Staff in the Office of the Executive Secretary (ES) in the United Nations Economic Commission for Africa (UNECA). He serves at the D1 level on a fixed term appointment.
2. On 24 September 2015, the Registry of the United Nations Dispute Tribunal (UNDT) in Nairobi received the Applicant's Application for Suspension of Action, challenging the Respondent's decision to "strip him of his core functions as Chief of Staff". The Applicant contends that the impugned decision is inconsistent with the United Nations Staff Regulations and Rules as well as with the jurisprudence of the UNDT.
3. The Application was served on the Respondent on 24 September 2015.
4. On 28 September 2015, the Respondent filed his Reply to the Application as well as a Motion for Extension of Time.
5. On 29 September 2015, the Tribunal scheduled the matter for a case management hearing on 30 September 2015.
6. That hearing took place as scheduled. The Parties informed that Tribunal that they are currently engaged in efforts to have this dispute resolved *inter partes* and that the Ombudsman has been engaged towards that end.
7. On 1 October 2015, the Applicant filed a motion to withdraw his request for interim measures "pursuant to the terms and conditions of a recently concluded interim settlement between the Parties".
