Facts and Procedure

1. The Applicant is a former Facilities Management Assistant, working with the United Nations African Union Hybrid Operation in Darfur (UNAMID) based in El Fasher. He served on a fixed term appointment at the GL5 level, step 10.

2. On 25 June 2019, the Applicant filed an application for suspension of action pending management evaluation against decision to separate him from service on 30 June 2019. The United Nations Dispute Tribunal (UNDT) in Nairobi found that the Applicant had already missed the deadline for requesting the management evaluation, as well as the application on the merits. Order 081 (NBI/2019), dated

the time the judgement was rendered, unknown to the Dispute Tribunal and to the party applying for revision, always provided that such ignorance was not due to negligence. 2. An application for revision must be made within 30 calendar days of the discovery of the fact and within one year of the date of the judgement. 3. The application for revision will be sent to the other party, who has 30 days after receipt to submit comments to the Registrar.

5. As shown by the above, the avenue of revision applies only to UNDT judgments i.e., where the UNDT has disposed of an application on the merits or a suspension.
