## **Introduction and Procedural History**

1. At the time of the application, the Applicant served as a Geospatial Information Officer at the United Nations Multidimensional Integrated Stabilisation Mission in Mali (“MINUSMA”). He held a fixed term appointment at the FS-5 level and was based in Bamako.

2. On 12 November 2018, the Applicant challenged the Respondent’s decision to separate him from service with compensation *in lieu* of notice and termination indemnity in accordance with staff rule 10.2(a)(viii). It is the Applicant’s case that the impugned decision should be rescinded on grounds that his actions were the result of the medical condition he suffered from and was therefore not deliberate.

3. The Respondent filed his reply to the application on 14 December 2018.

4. The Respondent submits that the impugned decision was based on clear and convincing evidence that the Applicant’s conduct amounted to serious misconduct in violation of staff regulation 1.2(f), staff rule 1.2(f) and sections 2.1 and 3.1 of ST/SGB/2008/5 on the Prohibition of Discrimination, Harassment, including Sexual Harassment, and Abuse of Authority.

## **Considerations and Order**

5. The Tribunal considers that a case management discussion (“CMD”) would facilitate fair, efficient and expeditious management and disposal of this case.

6. A CMD will take place on **Thursday, 30 April 2020 at 2.00 p.m. (Nairobi Time, UTC +3)** using Skype or Microsoft Teams. At the CMD, the Tribunal and the parties will:

- a. Ascertain whether the parties are amenable to considering an alternative resolution to the dispute;

- b. Discuss the claims and issues in the case;
  - c. Identify the factual and legal issues to be determined;
  - d. Consider what further information, if any, is required;
  - e. Identify any documents to be disclosed;
  - f. Consider if the case may be decided on the basis of the documents, or whether a hearing should be held, and, if there is to be a hearing, to set the dates, identify the witnesses to be called and the documents to be presented; and
  - g. Discuss any other matter relevant to these proceedings.
7. As this case management discussion is being held virtually with all parties appearing from their respective locations, counsel are requested to provide the Registry with the relevant contact details no later than **24 April 2020**.
