

Case No.: UNDT/NBI/2019/115
Order No.: 105 (NBI/2020)
Date: 2 June 2020

Introduction

1. On 5 August 2019, the Applicant filed an application challenging the decisions of the United Nations Organization Stabilization Mission in the Democratic Republic of Congo (“MONUSCO”) to: (a) not pay her salaries and entitlements since July 2018; (b) lack of cooperation on the part of the Administration to resolve the issue of her salary and entitlements for more than a year; and (c) the implied decision by the MONUSCO Administration to withhold her separation notification form (“PF.4”), thus preventing her from receiving her disability benefits.¹

2. On 13 December 2019, the Applicant filed submissions stating that some of her claims had been resolved through informal mediation, in particular, the release of her PF.4 form and payment of a substantial part of her salary and allowances. However, the following unresolved issues remain: (a) payment of the amount equivalent to 72 days of sick leave on full pay; (b) adequate compensation for moral harm resulting from the lack of cooperation on the part of administration to resolve the issue for more than 14 months.²

Applicant's claim for payment of an amount equivalent to 72 days of sick leave on full pay.

5. The deadline for the filing of the submissions is **Monday, 15 June 2020**.
