

UNITED NATIONS DISPUTE TRIBUNAL

Introduction

1. The Applicant is a former Political Affairs Officer, at the P-4 level, working with the United Nations Assistance Mission for Iraq (“UNAMI”).
2. By an application filed on 24 November 2020, the Applicant contests three decisions: (i) the administrative decision to not renew her ~~fixed~~ term appointment beyond 31 May 2019; (ii) the 1 September 2020 decision of the Division of Healthcare Management and Occupational Safety and Health (“DHMOSH”) to not recommend her for disability pension to the United Nations Staff Pension Committee (“UNSPC”) and to the Advisory Board on Compensation Claims (“ABCC”); and (iii) the 5 November 2020 decision of ABCC to reject her claim for compensation on the ground that her claim was time barred.²
3. The Respondent filed a reply on 30 December 2020 in which it was argued that the claims relating to the non-renewal decision and the ABCC decision are not receivable ratione materiae because the Applicant never requested management evaluation of the two decisions. The only reviewable claim is the DHMOSH decision, which was legal, rational and procedurally correct.

ORDER

4. On or before 2.00 p.m. on Friday 8 October 2021, the Applicant shall file a response to the reply specifically on the issue of receivability argued by the Respondent, and which shall not exceed five pages.
