Case No.: UNDT/NBI/2022/073
Order No.: 117 (NBI/2022)
Date: 25 August 2022
Original: English

Introduction

1. The Applicant filed an application on 23 August 2022 seeking to suspend, under articles 2.2 of the Dispute Tribunal's Statute and 13 of its Rules of Procedure, the decision not to renew his contract beyond close of business on 23 August 2022. The Applicant also sought an interim order, in accordance with the principles set out in *Villamorán*¹. The Tribunal stayed implementation of the contested decision during the pendency of the SOA process..

2. The application was served on the Respondent the same day and he filed a reply on 24 August 2022.

3. The Tribunal has taken note of the Respondent's submission that he has suspended implementation of the contested decision and has extended the Applicant's fixed-term appointment pending the outcome of the management evaluation process.² Since the Respondent has suspended implementation of the contested decision and extended the Applicant's appointment pending the management evaluation process, the Tribunal finds that the matter is moot.

ORDER

4. The application for suspension of action is dismissed.
