

Consideration

7. Upon review of the Applicant's request for reconsideration of Order No. 23 (NY/2019) and the two statements provided by the Applicant dated 14 November 2018 and 6 December 2018 from his medical care providers, the Tribunal is of the view that the Applicant has not presented any evidence that the Tribunal misapprehended the law or facts in his earlier submission nor presented any newly discovered evidence that was unavailable at the time of the Applicant's earlier submission.

Conclusion

8. For the reasons stated above, the Applicant's request for reconsideration

Order No. 23 (NY/2019) is dismissed. 0 as58005100444005900444004C004F>3004440045004F00480003
