Introduction

1. On 27 June 2022, the Applicant, former Administrative Officer, filed an application before the Dispute Tribunal contesting his selection for the position of Chief at the P5 level, Business Transformation and Accountability Unit, Pension Administration, the United Nations Joint Staff Pension Fund (“UNJSPF”), Job Opening 154920. The Applicant argues that the “selected candidate lacked, at all times relevant to the recruitment, a required qualification specified in the job opening [...] Lean Six Sigma (LSS) or equivalent certification.”
2. On 27 July 2022, the Respondent filed his reply submitting that his application is without merit as the Applicant was fully and fairly considered for the position. The Respondent submits that contrary to the Applicant’s contention, the selected candidate holds the required qualifications for the job opening.
3. On 10 August 2022, the Respondent provided additional disclosure of the selected candidate’s relevant professional certificates to rebut the Applicant’s claim.
4. On 15 March 2023, the case was assigned to the undersigned Judge.
