Case No.: UNDT/NY/2023/031
Order No.: 138 (NY/2023)
Date: 8 December 2023

Introduction

1. On 15 September 2023, the Applicant, Senior Security Officer, United Nations Department of Safety and Security (“UNDSS”), (S-3, Step 11), filed an application contesting the decision of the Captain, Central Scheduling Unit, UNDSS (“C/CSU”) to place him on the “Priority Two” list with respect to his request to work overtime on 10 April 2023 (the “contested decision”).

2. On 16 October 2023, the Respondent filed his reply contending that the application is not receivable *ratione materiae* because the contested decision is not a reviewable administrative decision within the meaning of art. 2.1(a) of the Statute of the Dispute Tribunal. The Respondent further submitted that should the Dispute Tribunal find that the Application is receivable, it lacks merit.
