

**Latvia's statement at the Third International Conference on  
Financing for Development  
14 July 2015**

**President, excellencies,  
Distinguished Ladies and Gentlemen,**

**First**, transformation is only possible if the process is truly inclusive.  
This requires a partnership between the national and sub-national

At the same time also the role of parliaments cannot be

... ..

**Thirdly**, we believe - Addis outcome has to become the Means of

Implementation pillar of the post-2015 agreement. To track progress
