## Palau Statement at the 3<sup>rd</sup> International Conference on Financing for Development Addis Ababa July 16, 2015 Delivered by: H.E. Dr. Caleb Otto

Four crossroads we come to this year. hard-fought right choices so far and we expect to make two more,

energy and greater energy efficiency as we participate in addressing climate change.

In conclusion, Mr. Chairman, 2015 is an exceptional year for n Sendai and Addis that THERE IS a desire to transform our world. We are encouraged that the momentum will continue to build up for greater achievement
