

The African Tax Administration Forum (ATAF)

- **Presenter:** Elizabeth Storbeck
- **Venue:** Rome, Italy
- **Date:** 28 January 2013
- **Event:** Joint Meeting by FfDo of UNDESA and the ITC
- **Topic:** "Capacity Building on Tax Treaty Administration"

EXCHANGE OF INFORMATION CHALLENGES FOR AFRICAN COUNTRIES

- Lack of treaties as instruments for exchange of information in several African countries.
- Lack of communication as to who are designated Competent Authorities as only point of contact for requests for exchange of information between countries and / or regular updates on any changes.
- Inadequate legislation and regulatory framework to ensure availability of information for exchange purposes.
- Ineffective legislation to ensure access to information for exchange purposes.
- Lack of capacity and capability in some tax administrations to deal with requests for exchange of information.
- Limited participation by ATAF member countries in the Global Forum on Transparency and Exchange of Information for tax purposes.

COMPOSITION OF THE ATAF EoI & TAX TREATIES WORKING GROUP

The Exchange of Information and Tax Treaties Working Group was established in April 2011, consisting of senior officials from six ATAF member countries, with experience in tax treaties and / or exchange of information and other international tax matters.

• **Ali Ssekatawa** – Uganda Revenue Authority (Chairperson)

• **RC Terblanche** – South African Revenue Service

Secretariat

• **Elizabeth Storbeck** – ATAF Secretariat member

METHODOLOGY

- The Working

ATAF TECHNICAL CONFERENCE ON EXCHANGE OF INFORMATION

- Held in Kampala, Uganda from 19 – 20 April 2012.
- **Targeted audience:** those officials directly responsible for tax treaties and carrying out exchanges of tax information, such as Competent Authorities, Designated Authorities and Senior Officials of African Tax Administrations.

- **Focus of the conference:**

One of the objectives of ATAF is to contribute, in a practical manner, towards increased cooperation and transparency amongst tax administrations in Africa. For this to be achieved, and based on global developments in the tax arena, discussions focused on:

- ¾ Significance of exchange of tax information to address tax evasion and avoidance on the African continent;
- ¾ Tax information exchange agreements (TIEA's), Avoidance of Double Taxation Agreements (DTAs), Mutual Legal Assistance Treaties (MLAT) and Multilateral Agreements aimed at governing procedures;
- ¾ Establishment, role and functions of the Office of the Competent Authority / Designated Authority as the structure directly responsible for carrying out

ATAF AGREEMENT ON MUTUAL ASSISTANCE IN TAX MATTERS (AMATM)

- Emanating from discussions during the Technical Conference, participants felt the need for ATAF to convene a meeting of Heads of Legal Departments and / or Competent Authorities to engage in greater detail with the draft Multilateral Treaty on Exchange of Information.
- Convened by ATAF and hosted by the South African Revenue Service (SARS), in Pretoria, South Africa from 25 – 27 July 2012
- Law advisers and competent authority officials from 22 ATAF Member States met to **finalise the text** thereof in order to assist each other in exchange of tax information.
- Assistance referred to is in respect of:
 - the exchange of information in tax matters,
 - the carrying out of tax examinations abroad,
 - the carrying out of simultaneous examination, and
 - assisting in tax collection.

³/₄ Agreement is first of its kind in Africa.
- Five ATAF members need to ratify the AMATM through domestic procedures before it can enter into force.

OECD / ATAF PRACTICAL GUIDE ON EXCHANGE OF INFORMATION FOR DEVELOPING COUNTRIES

The need for a Practical Guide?

- The ATAF WG identified the need for a Practical Guide for developing countries to:
 - Assist developing countries and in particular ATAF members to improve the effective use of exchange of information in order to counteract tax evasion and avoidance;
 - Ensure efficient implementation of Eol while ensuring taxpayer confidentiality;
 - Raise the awareness on the legal instruments available for Eol; and
 - Help developing countries benefit from the international cooperative environment.
- The **Global Forum on Transparency & Eol** and **OECD Task Force on Tax and Development** is assisting in developing such a Guide

Practical usage?

- Examples provided throughout the draft guide detailed Case studies in Annex
- Optional Model templates are included in Annex: request under TIEAs, feedback
- Check lists provided: on how to draft a request for information , how to draft a response, on how to provide information spontaneously
- Guidance for competent authorities and tax auditors on searching publicly available information

The ITC have generously offered to fund translation costs as well as the design, layout and printing of the Guide.
