

Background

The Millennium Development Goals Report, an annual assessment of global and regional progress towards the Goals, reflects the most comprehensive, up-to-date data compiled by over 28 UN and international agencies. It is produced by the UN Department of Economic and Social Affairs. A complete set of the data used to prepare the report is available at mdgs.un.org. For more information, press materials and an inter-agency media contact list, see www.un.org/millenniumgoals.
