Virtual training-workshop for policy-makers to be held 18 – 20 May 2021 for the Asia and Europe region

RCTV 4

**Enhancing capacity to develop policies to promote transport connectivity for the achievement of the SDGs and development of resilient transport infrastructure
Training-workshop for policy-makers for the Africa and Latin America region**

**Enhancing capacity to develop policies to promote transport connectivity for the achievement of the SDGs and development of resilient transport infrastructure
Training-workshop for policy-makers for the Asia and Europe region**

Acknowledgement

The funding for the training was made possible through the project led by UN-OHRLLS entitled: Strengthening the capacity of Landlocked Developing Countries under the “Belt and Road Initiative” to design and implement policies that promote transport connectivity for the achievement of the SDGs which is funded by the 2030 Agenda for Sustainable Development Sub-Fund - United Nations Peace and Development Trust Fund.
