Metered-taxi and bus services are readily available at the airport. More information is available at <https://www.bangkokairportonline.com>

To use the airport limousine service, participants should only contact the authorized officials at the counters located in the airport arrival zone. These officials will issue a ticket for the assignment of a limousine for transporting passengers to the desired destination, upon request. The Suvarnabhumi International Airport limousine service counters are located on Level 2 at Baggage Claim and Arrival Hall exits, channels A, B and C.

For public taxis, participants are advised to proceed to the Level 1 of the Passenger Terminal, between exit doors 4 and 7, outdoor area, where they will find automatic dispensing machines from which they can collect a queuing ticket for a public taxi. In addition to toll fees, there is a THB 50 surcharge to be added to the meter charge from the airport to the city. Please refer to the airport website noted above for details.

Transport to attend meetings

Participants need to make their own transport arrangements to and from the UNCC. Metered taxis are readily available in the city and you may also book your transportation via applications such as Grab and Volt. Some hotels close to the UN building may provide complimentary transfer service on fixed schedule, to and from the UNCC, so please check with the hotel concierge.

Travel agent

The American Express Global Business Travel (AMEX-GBT), whose office is located on Level 1, UNCC, can offer assistance in making reservations. Please feel free to send a request to [escap\\_amextravel@un.org](mailto:escap_amextravel@un.org)

Weather

The weather in Bangkok is usually warm and humid. Light tropical clothing would be appropriate. The conference and meeting rooms at the UNCC are air-conditioned and the temperature is maintained in the range of 23-24 degrees Celsius (73-75 degrees Fahrenheit).

Electric plug and socket

The electric power in Thailand is 230V running at 50Hz and the plug types used are either Type A, Type B, or Type C. A hybrid socket is almost universally found, which accepts a combination of the above plug types.

Delegates are strongly encouraged to carry their own adapters for use with laptops and other electrical appliances as the Secretariat will not be able to provide these. In case of need, adapters can be purchased from shops in the city dealing in electronic and electrical items.
