# Implications for National Focal Points

Raise awareness on implementation of the VPoA at national level

Build momentum towards the Third UN LLDC Conference in 2024 by coordinating National review and preparation of the national report on implementation of the VPoA to be submitted in 2023 to OHRLLS.

Coordinate national participation in regional reviews and global review.

Assist national and regional efforts to contribute to global intergovernmental processes

Coordinate national participation in upcoming LLDC events.
