What role does geography play in constraining the world?

4.503. The Conference adopted the Almighty

Centre of Services system and other international organisations in 2014. The main objective of the programme is to maximise a number of thematic events.

A comprehensive review concluded that the Almaty Programme of Activities

is well aligned with the priorities of the European Union's regional policy and the EU's external action. The programme has been successful in addressing the needs of the Central Asian countries in the field of cross border cooperation. It has contributed to the development of the Central Asian region and to the promotion of the principles of sustainable development. The programme has also helped to improve the living conditions of the people in the region.
