

Call for action towards reconciliation and universal peace

The Foundation for Subjective Experience and Research S.E.R., NGO in special

STEP 1:

Conceptualize a curriculum for reconciliation and peace with didactics and methods of teaching and learning for all ages
Create examples, like music projects, collect reconciliation rites worldwide, like "Ho o pono pono".

STEP 2:

Find Kindergardens, schools, universities, adult education centers, colleges, community centers in your home-country/hometown and ask them to test your method, example within a certain time-frame.
Collect these experiences, analyse and evaluate them.

STEP 3:

Submit it to Ministries of Education and /or Governmental Departments.
Ask them to build up the general contents on a national level and implement it in its educational system.

STEP 4:

Draw up a "Resolution for Reconciliation and Peace Education"
Sign it with S.E.R. and partners, with politicians, diplomats, celebrities and start lobbying and promoting it in political and diplomatic circles, as well as in entertainment and film businesses, everyday life and private circles.

STEP 5:

Finally find Representatives/Ambassadors of Permanent Missions of supporting countries to the UN, who bring this resolution into the General Assembly to make it mandatory worldwide.

As the S.E.R. Foundation's credo is Reconciliation and Peace, our highest goal is to establish reconciliation and peace as ideal status:
