

## **5. Conclusion and Next steps**

Mr. Hongpeng Liu, Director, Energy Division, UN ESCAP, thanked all the country champions, the members of the working group for an insightful rich discussion that consisted of over 30 interventions. He praised the diversity of the group which provided good technical input and helped mark a solid foundation towards the next working group meetings. Mr. Hongpeng Liu emphasized the need for the alignment of SDGs with climate objectives, highlighting the co-benefits of a good transition and reiterated the urgent call for action, and
