

The sixth annual SDG Business Forum took place during the High-Level Week of the 76th session of the UN General Assembly. Co-

and UN Global Compact, the event reached more than 7,000 participants from 143 countries around the world. The sixth SDG Business Forum incorporated important themes of several

United Nations Global Sustainable Transport Conference, the

event, the Forum included 17 CEO-level speakers, and several high-ranking government officials, UN Principals and Special Envoys also addressed the Forum. The SDG Business Forum continues to be an important space for dialogue to promote a whole-of-society approach to forward sustainable development.

on Africa and the Economic Commission for Africa, organized the Special High-Level Dialogue on the Sustainable Development of Africa, convened by the Presidents of the General Assembly and the Economic and Social Council. The dialogue provided an opportunity for African Member States and their partners to share country experiences, including successes, challenges and lessons learned, in the implementation of the 2030 Agenda for Sustainable Development and Agenda 2063 while considering the challenges of pandemic recovery.
