Preparatory Process for the Summit of the Future

Excellency,

Dear Colleagues,

We extend our sincere gratitude to all delegations for their active participation in the second reading of the zero draft of the Pact for the Future, which concluded on 3 April. The constructive discussions have significantly deepened mutual understanding and fostered convergence on numerous issues.

Informal consultations and exchanges with Major Groups and other Stakeholders and civil society leading up to the UN Civil Society Conference in Nairobi (9-10 May 2024) have also provided us with invaluable perspectives.

Based on the compilation text following the conclusion of the second reading, we have developed a revised draft (Rev.1) of the Pact for the Future. We kindly invite all delegations to the:

Presentation of the Rev.1 of the Pact for the Future

15 May 2024, 3:00 p.m., General Assembly Hall

The Rev.1 will be released the day prior to its presentation on 14 May 2024 via e-deleGATE. While delegations will have the opportunity to deliver brief general remarks after the presentation, detailed substantive comments are not expected. The presentation will be webcast via UN Web TV, in keeping with our aim to ensure an open and transparent process. We regret to inform you that interpretation services will not be available due to another meeting taking place concurrently.

The Rev.1 will serve as a foundation for the third reading, which we will begin with an ambassadorial level meeting on 28 May 2024, in response to the request for regular dialogue between permanent representatives on this crucial process. For this meeting we invite delegations to provide general comments on the Rev. 1, with time limits of 5 minutes for statements on behalf of a group and 3 minutes for statements in national capacity. These time limits will also be observed during the presentation on May 15. Time limits will be enforced mechanically.

Subsequently, we will proceed to a section-by-section reading in the order of chapters 2-1-5-3-
