Unit of the Future

**Address by H.E. [Name] [Title]
President of the Federated States of Micronesia**

New York, 13 June 2021

Ladies and Gentlemen, Esteemed Colleagues, Distinguished Guests.

I bring warm greetings from the people of the Federated States of Micronesia

Micronesia has consistently voiced its concerns on the global stage, advocating for the reduction of greenhouse gas emissions in line with the 1.5 pathway. We also champion initiatives to eliminate fossil fuel subsidies and from the use of fossil fuels. This includes addressing non-CO2 emissions climate pollutants in order to effectively combat the climate crisis, as significantly contribute to global warming in the near term.
