Mr. Chairman.

Franchishored to take the floor on behalf of the members and associated States of MERCOSUR, the Flurinational State of Bolivia, Brazil, Colombia, Chile, Ecuador, Paraguay, Peru, Uruguay and the Bolivarian Republic of Venezuela and my own country, Argentina.

The MERCOSUR countries align themselves with the statements made by the Group of 77 and China and by the

women Beijing meant a fundamental starting point not just for the launching of specific policies in women's issues by our governments, but also for a greater participation of civil society in these processes. These

the militancy for gender equality.

Fifteen years after the adoption of the Declaration we have echieved goals that were geared towards and the second of the Declaration we have echieved goals that were geared towards as a second of the second of t

thing the disconnection of the second part of the fact of the second metric of the second metric of the second metric of the second part of the se

Our countries have increased the noticination of useros is the leaders for and individual some and in Countries.

Departmental and Municipal governments. Several women have essupied in some cases the highest representation in the majority of State powers.

In most cases this increase is due to the use of affirmative action as well as quota laws for women. However, we want to stress that the presence of more women in parliament has enabled the adoption of norms that respond to the needs and historicalisationalism that the female accrueities has suffered.

trafficking in persons, shild resolution and right to work and to health including account and an including

The current challenge is to have human and financial resources to regulate and make all of these laws more effective.

The noticination of vermes has increased in the notition area algebries in a real continual and a second

female participation has increased both quantitatively and qualitatively.
